

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 2 December 1958

FROM : Chief, Orientation Faculty, IS

SUBJECT: Weekly Activities Report #47, 26 November - 2 December 1958

1. Intelligence Orientation

a. Intelligence Orientation #26 ended on 28 November. Results of the final examination were somewhat poorer than expected, in view of the relatively high grade level average of the group (GS-11). The necessary omission of the two exhibits which are excellent review devices, may have contributed to this outcome.

b. The next IO beginning on 5 January 1959 will also be held in Room 2241 R&S Building. Because of the limited capacity of the classroom, we have requested that the Registrar limit the enrollment to 30 students, which we consider an absolute maximum for efficient administration of the course and effective presentation of the material.
